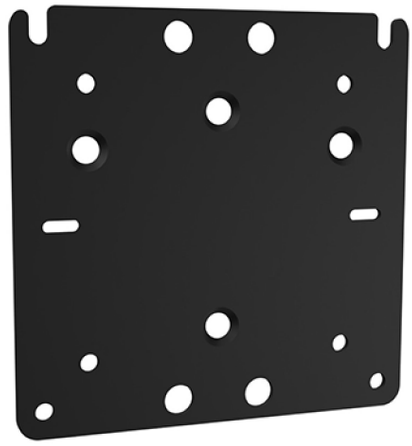
ATDEC Infinite Mounting Possibilities

AC-MP

AC-MP | Mini PC Mount Plate

The AC-MP is a metal plate that allows you to attach a mini PC to your existing monitor arm post without compromising accessibility to the device. It utilises a universal mounting hole pattern and supports most mini computers available on the market today.



Device Compatibility

- Supports devices up to 5kg (11lbs)
- Compatible with 75 x 75 and 100 x 100 VESA pattern-compliant mini PCs, as well as Intel® NUC units
- Other devices can be mounted thanks to a variety of fixing holes

Key Features

- Can be retrofitted to existing installations
- Simple installation process
- Universal mounting hole pattern
- Discreet aesthetic
- Integrates seamlessly with Atdec's VF, SP40 and SP75 posts
- All mounting hardware included

Important: The mini PC plate attaches directly to the rear-facing cable channel on the VF posts. Please allow enough clearance at the back.

Code	UPC	Packaging dimensions	Shipping Weight
AC-MP	881493010512	12.5 x 12.5 x 2.5mm (4.92 x 4.92 x 0.98″)	300g (0.68lbs)
