

Portrait Fixed Wall Mount 5040

FEATURES

- Optimised for mounting displays in portrait orientation
- Slim profile suits modern displays and contemporary living environments
- Designed for precise display positioning with provision to adjust display alignment horizontally on wall plate
- Designed for easy installation with supplied spirit level and slotted mounting holes for alignment
- Suitable for installation on most types of wall construction when paired with appropriate hardware (wall mounting hardware not included)
- Quick release display attachment
- Theft resistant design with lockable display brackets (padlock not included)
- Supplied with display mounting hardware and installation guide

Display weight range	0 - 50kg (0 - 110lb)*
VESA mounting	100 x 100 to 400 x 600
Profile to wall	27mm (1.06")

*Curved monitors, deep devices (such as all-in-one PCs), VESA mounted accessories (such as mini PC brackets and mounts), and offset VESA locations exert additional leverage that can exceed the capacity of the mount even though the monitor weight may be within the stated range. Please contact Atdec if you would like further information.

WARRANTY

10 years limited
