Desk fixing options

Desk Clamp (included)

Traditional two-piece design. Better for retrofit and thicker desks up to 76mm.

Bolt Through (included)

Offers flexibility in mounting position & when attachment to the edge of the desk is not possible.

Grommet Clamp AC-GC (sold separately)

Utilises a grommet hole & allows for heated cable management. Fits grommet holes 60-80mm in diameter.

Accessories

The AFS-AT-DC can be upgraded to carry a mini PC.
