

DENON

D4RU30

DENON RACK-EAR KITS

Zincanneal

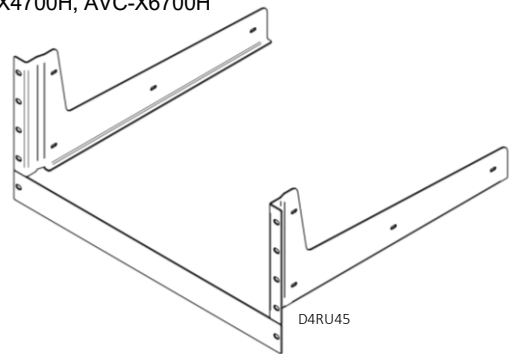

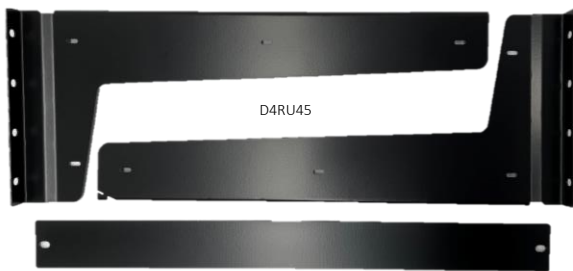

DESIGNED and
MADE in AUSTRALIA
with Australian steel

D4RU40 / D4RU30 / D4RU45

Denon Custom Installation rack-ear mount kits are designed to allow easy and secure mounting of all 2020-21 Denon AV Receivers into standard-width custom-installation AV racks. There are three models available to match thirteen 2020-21 released AV components – however, many superseded models may also be compatible*. Made of 1.55mm thick ZINCANNEAL® (a zinc/iron alloy-coated forming steel made in Australia by BlueScope) and powder-coated black, each kit includes a spacer to complete a tidy and professional finish, plus six ear-mounting screws to replace the factory-installed lid screws.

*Previous model compatibility is not guaranteed; measure kit suitability beforehand.

Model:	Suitable for:
D4RU40	AVR-X550BT, AVR-S660H/-S650H, AVR-X1700H/-X1600H, AVR-S760H/-S750H, DRA-800H
D4RU30	AVR-S950H/960H, AVR-X2700H, AVC-X3700H, AVC-X4700H, AVC-X6700H
D4RU45	AVC-A8500/8500A, AVC-A110
