VLA-4020

Adaptor Plate

Features

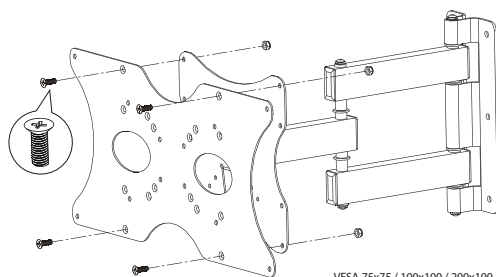

The VLA-4020 Adaptor Plate is primarily designed to convert 200 x 200mm VESA TV screen mounting plates to become 400 x 200mm in order to suit TV's equipped with this larger screw hole pattern.

Other options are also possible utilising the various screw hole patterns included on the Adaptor Plate. However, please use reasonable care to not exceed the operating and weight carrying capabilities of the mount this plate is to be attached to.

*** Note:** Even though the larger screw hole pattern may suit your TV, it is important that the weight carrying capacity of the TV wall mount this adaptor plate will be attached to, is not exceeded.

VESA 120x180 / 200x100 / 200x200 / 300x200 / 400x200mm

VESA 75x75 / 100x100 / 200x100 / 200x200mm for fixing with bracket

Package includes

Adaptor plate, mounting hardware and assembly instructions (Wall mount not included).

Specifications

Colour	Black
Capacity	* Ensure the weight of the television does not exceed the weight capacity of this adaptor plate (30kg) nor the TV mount this plate will be affixed to (check TV mount for weight capacity guidelines).
Screen sizes	23" to 37" (58cm to 94cm)

*** Note:** If your TV, regardless of its screen size, weighs less than the weight capacity stated (30kg*), and the location of the mounting screw holes correspond with those listed, then this adaptor is suitable for your TV.
