C 0327 Supermarket Style Announcement Mic With Gooseneck

C 0327 Supermarket Style Announcement Mic With Gooseneck

Close up of microphone head.

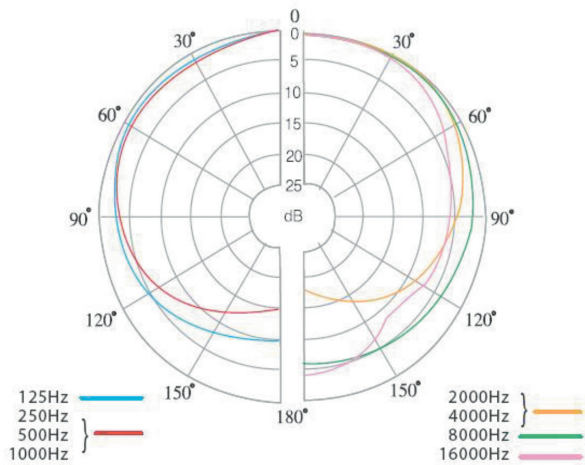

Overview

This incredibly sturdy all metal microphone is built to survive the rigours of supermarkets & fast food restaurants. Redback have made several key enhancements to this model, including improved balanced, screened curly cord cable for reliable noise free operation; and longer 450mm gooseneck for easier use. Include PTT pair for muting auxiliary inputs. Fitted with a heavy duty four core cable with bare ends.
